How God Helps Us Grow:

*“A former irritant can become an opportunity –
like the potter’s wheel – to be made into a more beautiful vessel.”
“Does your philosophy of life give perspective or purpose to
the irritations that you encounter?”*

Learn the Process:

- 1. Personal transformations: One of those processes is that the irritant is actually sent to refine or shape us.*
- 2. Favor in relationships: We have been given a promise that once a man’s ways please the Lord, the Lord causes even his enemies to be at peace with him (Proverbs 16:7)*
- 3. God’s chastisement: It could be a tool to wake up!*
